L'équipe de designers responsable de la nouvelle collection exclusive de Flam & Luce allie une forte capacité technique et de design de produit et une approche globale de l'Architecture des Environnements, confirmée par la fréquence des principales foires européennes du secteur et des carrières internationales solides et reconnues. PIERRE STONE PEDRA

Les pierres portugaises se distinguent par leur palette de couleurs, textures et possibilités de finition qui reflètent les idées les plus originales des concepteurs, où les artifices commandent toujours les formes.

Portuguese stones stand out for their palette of colors, textures and finishing possibilities that reflect the most original ideas of the designers, where the artifices still command the shapes.

As pedras portuguesas assumem um destaque próprio pela sua paleta de cores, texturas e possibilidade de acabamentos que reflectem as ideias mais originais dos designers, onde os artifices ainda comandam as formas.
